Clarification of "Membership" RESOLUTION 1994-5

WHEREAS, the successful operation of livestock businesses today usually requires a family rather than an individual commitment; and,

WHEREAS, successful association activities in today's political climate require a large informed membership capable of acting in a rapid and unified fashion; and,

WHEREAS, some confusion exists as to the membership eligibility, dues, and voting rights of members' spouses and children;

NOW, THEREFORE, BE IT RESOLVED THAT membership in the Owyhee Cattlemen's Association shall be on a family basis. Specifically,

- For family, corporation, and partnership members, both spouses shall be listed as members on the membership application and shall have full membership rights and responsibilities, to include voting rights.
- Additional family members or employees, 18 years of age or older, can be listed on the
 membership application and shall have full membership rights and responsibilities to include
 voting rights, for an additional fee of \$5 per individual. Separate mailings of correspondence for
 these members will be available if so requested on the membership application.
- Additional family members or employees under 18 years of age can be listed on the membership application as Youth Members, at no additional dues expense, and shall have full membership rights and responsibilities with the exception of voting rights.
